GORGOROTH

Et av de tidlige norske black metal-bandene er Gorgoroth som ble dannet helt tilbake i 1992. Dermed feirer bandet 25 års jubileum i år etter trofast tjeneste i Satans navn. Gorgoroth er et av de mest beryktede black metal-bandene fra Norge og fører fremdeles an som

en av lederne innen ekte norsk black metal. Tidløse klassikere som «Pentagram», «Antichrist» og «Under the Sign of Hell» regnes som milepæler og bandet har laget mye kontrovers opp igjennom årene med ekstravagante konserter. Vi ønsker deg velkommen til et helt spesielt og blasfemisk show på Inferno Metal Festival 2017 når Gorgoroth feirer sitt 25 års jubileum.

INFERNO METAL FESTIVAL 2017

Inferno Metal Festival er den eldste og mest ekstreme metal-festivalen i Norge, og en av de viktigste ekstreme metal-festivalene i verden. Vi er veldig stolte av å holde denne posisjonen, og vi vil fortsette med å fronte norsk metal og invitere band fra hele verden til Norge. 2017 blir den 17. utgaven av festivalen som stadig er under utvikling.

INFERNO METAL FESTIVAL HOTEL: SCANDIC ST. OLAVS Plass

Our festival hotel for over 5 years, Royal Christiania, is being rebuilt and closes for two years. So we're happy to announce Scandic St. Olavs Plass as our new official festival hotel. Actually we've been guests at this hotel before, back in the days when it was called Scandic Edderkoppen (The Spider.) Since then, the hotel has been rebuilt and renovated - ready to once again offer their hospitality to Inferno; Artists, music bizz, journalists and photographers, crew and festival goers will gather here. And this time the hotel will be open exclusively for Inferno guests!

Scandic St. Olavs Plass is located in the city centre with approximately 10 minutes walk from the main festival venue Rockefeller and 15 minutes to Vulkan Arena. The airport express train, Flytoget, from Oslo Airport Gardermoen stops at Nationaltheatret station and is within walking distance to the hotel. Main street Karl Johan and The National Gallery (Nasjonalgalleriet)

is just down the street, for shopping and exploring. The alternative culture house (and previous illegal squat) Blitz is just around the corner – with affordable vegan food and drinks. Basically all main sites are at your feet from this location!

The Inferno Music Conference (IMC) will use the main conference facilities at the hotel, Edderkoppen Scene, and there will metal expo with exhibitions and stands in the spacious lobby area. Join the official vorspiels and nachspiels with DJs in the stylish art deco bar. Here also the IMC open sessions with live interviews and various performances will take place.
