#### FLESHGOD APOCALYPSE

The Italian masters of symphonic death metal Fleshgod Apocalypse will return to Inferno Metal Festival to bring more madness upon the festival. The band released their fourth studio album last year called "King" that has received great reviews from the metal press all over the world. The album even went on the US billboard charts. Fleshgod Apocalypse's music is grand and epic mixed with technical and brutal death metal. Making the band unique with a sound that is hard to compare to other bands. Fleshgod Apocalypse just have to be experienced – and the best way to do that is when they return to Inferno Metal Festival 2018.

## NORDJLEVEL

Nordjlevel made a huge impact in 2016 when they released their debut album "Nordjlevel" and played their very first gig at Inferno Metal Festival. Since then the band has not been resting and they released earlier this year their EP "Krigsmakt" and has just been playing Maryland Deathfest in the states. The members of Nordjlevel are well known in the metal underground, hailing from such bands as Marduk, Tvangeste, Ragnarok, Vidsyn and Witchery, just to name a few. The band will return to Inferno Metal Festival in 2018.

## EARTH ELECTRIC

Earth Electric is the new band from Rune "Blasphemer" Eriksen. Blasphemer is no stranger for fans of extreme metal, as he has known from such bands as Mayhem, Aura Noir, Avi Inferi and Twilight of the Gods. Together with vocalist Carmen Simões, also in Ava Inferi, the duo started the band in 2014. Creating music that was heavily influenced by the sound of 70s hard rock, and adding their own flavor to the sound, makes Earth Electric something unique in today's metal and hard rock scene. Their debut album "Vol.1: Solar" was just released upon the world and has been praised with great feedback from the press and fans.
