TRIBULATION

Sweden's Tribulation is one of the most exiting bands coming from our neighbors in the east nowadays. Their third full-length album, "Children of the Night", took the world by its horns when it was released by Century Media Records in 2015. Tribulation recently released their new album "Down Below" which has by many critics been listed as a good candidate for album of the year. It's been eight years since Tribulation played at our club day in 2010. It is time for a return!

deprivation and loath through the extraordinary potent audio channel. After three critically acclaimed albums Valkyrja has started to record their next masterpiece. The album is expected to be out on the street within this year. This will be the swedes first appearance at Inferno Metal Festival!

CLARION HOTEL® THE HUB - OUR OFFICAL FESTIVAL HOTEL

Clarion Hotel The Hub is a renovated, expanded, renamed and new edition of our old official festival hotel Royal Christiania from a couple of years ago. The hotel opens in March 2019 so it will be brand new at the time the festival starts. The rebuilt hotel has a much stronger focus on events and conferences compared to earlier.

The Inferno family; artists and fans, media and music industry will gather at the hotel for four days of happenings, partying and a good night of sleep. During the Inferno week there will be Inferno pre- and after-

parties in the bar, black-metal breakfasts, Inferno exhibitions and a hell of a lot of special treats for our guests.

The Hub boasts Oslo's best location, right next to Oslo Central Station. The hotel is currently undergoing renovations and will reopen in March 2019 with 810 modern hotel rooms, 24 meeting rooms and 2 unique bars and restaurants.

During the festival period from April 14th to 22nd the hotel offers rooms at special festival rates.
