BEHEXEN TO INFERNO FESTIVAL 2013

There will be Finnish ritual black metal when cult legends BEHEXEN enter the stage at Rockefeller during INFERNO METAL FESTIVAL 2013. Their newest effort, called "Nightside Emanations", proves that the band is one of the most interesting bands coming from Finland and it might also be one of the best releases this year within the genre. Earlier announced artists are SATYRICON, TAAKE, SOLEFALD, PURIFIED IN BLOOD, AETURNUS, DISKORD and IN VAIN.

BEHEXEN

Finnish BEHEXEN has over the years built up a huge cult following of fans. The music is brutal, yet thick with atmosphere and satanic darkness. From the very start in 1994, under the name Lords of the Left Hand, they released several demos before the debut album in 2000 called "Rituale Satanum". This year they have released one of the best black metal albums of 2012 called "Nightside Emanations", which elevates them to one of the leading acts in Finland's black metal scene. No wonder when the

members of BEHEXEN hail from other great bands such as Horna, Sargeist, One tail, One Head and Mare – to mention a few. This will be the first gig for BEHEXEN in Oslo and it will be an visual ritual experience you can't miss.
