KAMPFAR

2014 marks Kampfar's 20th anniversary and at the same time they are ready with a new album and concert at Inferno Metal Festival 2014. The band was founded from the ashes of the black metal band Mock when it ended in 1994. With more folk-inspired melodies and lyrics about Norse mythology Kampfar found their own sound in the Norwegian black metal scene. "Djevelmakt" is the band's sixth album and shows that they are more vital than ever – something they will prove at the Inferno Metal Festival 2014. Kampfar plays the club day at John DEE and is a part of Indie Recordings Label Night.
