## NECROPHOBIC, BATUSHKA AND UADA TO INFERNO FESTIVAL 2018

Swedish blackened death metallers NECROPHOBIC, Polish orthodox black metal band BATUSHKA and the American melodic black metal newcomers UADA are confirmed to Inferno Metal Festival 2018.

### INFERNO METAL FESTIVAL 2018:

CARPATHIAN FOREST - DARK FUNERAL – NAPALM DEATH – FLESHGOD  
APOCALYPSE – MEMORIAM – NECROPHOBIC – BATUSHKA – NORDJVEL –  
EARTH ELECTRIC- VANHELGD – UADA

### NECROPHOBIC

Necrophobic hails from Stockholm in Sweden and has since 1989 released a huge number of demo tapes, EPs and full-length albums with furious and brutal blackened death metal. As a difference to many of the other death metal bands from Stockholm, Necrophobic has a more dark and evil sound to their music. Necrophobic has always stayed true to their style of unholy death metal and will do as long as the band will exist. This will be the Necrophobic's first appearance at Inferno Metal Festival so this will be a happening you can't miss.

## BATUSHKA

Batushka is a black metal band from Poland. The band has an unique sound as they are blending together traditional black metal with eastern orthodox chants and melodies. Their lyrics are even in Russian and their name meaning "father" and is used to address an Eastern Orthodox priest. The band members are unknown and when the band play live they will be on stage with a stronghold of eight people. The band has only released one album but are one of the most demanded bands from the audience at Inferno during the last year. The band has not been in Norway before so don't miss the chance to experience this unique band at Inferno Metal Festival 2018.

## UADA

UADA might be a new band – but their music is old school. Their style is traditional black metal as we know it from the early 90s combined with spectral melodies. Their debut album, “Devoid of Light”, was released last year to great acclaim. Imagine a mixture of bands like Mgå, Dissection and Taake and you may understand what UADA is all about. The band has never played Norway before so check them out when the Portland-based black metallers enter the stage at Inferno Metal Festival 2018!
