INFERNO METAL FESTIVAL

The iconic Inferno Metal Festival started in 2001 – and is the longest-running metal festival in Norway – and one of the most important extreme metal festivals in the world. We are very proud to have this position and we will continue to promote Norwegian metal and bring bands from all over the world to Norway. The Inferno Metal Festival takes place for four days on Rockefeller's two stages; Rockefeller and John Dee – as well as many smaller clubs around Oslo. The festival takes place during Easter when there isn't much else happening in Oslo. The festival is usually sold out and more than fifty percent of the audience is from abroad. Ticket sales go to the whole world, including China, Australia, Chile, Japan, Taiwan, Canada, the USA, Colombia, Argentina, and many more.
